

Wheeling Forward

Wheeling Pavilion Senior Center

JUNE 2016

In Memory of Fritz Caspersen

We are dedicating this issue of Wheeling Forward to Fritz Caspersen, dedicated and long-time volunteer in our Computer Learning Center.

Fritz passed away in April after fighting his illness for many months. We are forever grateful to Fritz for his many, many hours of dedication and for sharing his vast computer knowledge with all of his students. Fritz's character and style were one-of-a-kind, and for the many students he taught, Fritz opened up the world of technology.

In honor of Fritz, we will be holding a small memorial/grand opening of our newly organized Technology Learning Center on Monday, June 6, 2016 from 10:00 a.m. until 12:00 noon.

Please join us as we remember Fritz and check out our Technology Learning Center.

EMISSIONS TEST NOTIFICATION

Illinois EPA suspended the mailing of vehicle emissions test notices beginning in December 2015. Therefore, vehicle owners whose license plates expire at the end of March 2016 will be the first motorists who will not receive the vehicle emissions test notices.

As a result, Illinois Secretary of State Jesse White announced that he will temporarily allow license plate renewals for vehicle owners who have not yet passed the EPA emissions test. Beginning March 1st, motorists may renew their license plates, but will be informed they are still required to get the vehicle tested.

MEDICARE “EXTRA HELP”

Making ends meet should not mean going without your medications. If you have limited income and resources, you may qualify for Extra Help to pay for some health care and prescription drug costs. Drug costs in 2016 for most people who qualify for Extra Help will be no more than \$2.95 for each generic drug and \$7.40 for each brand-name drug. The Centers for Medicare & Medicaid Services estimates that more than 2 million people with Medicare may be eligible for Extra Help, but aren't currently enrolled to take advantage of these savings. A recent law changed how your income and assets are counted:

- Life insurance policies don't count as resources.
- Any help you get from relatives, friends, and others to pay for household expenses—like food, mortgage, rent, heating fuel or gas, electricity, water, and property taxes—doesn't count as income.

MANY PEOPLE QUALIFY AND DON'T KNOW IT

Even if you were previously turned down for Extra Help due to income or resource levels, you should reapply. If you qualify, you'll get help paying for Medicare prescription drug coverage premiums, copayments, and deductibles. To qualify, you must make less than \$17,655 a year (or \$23,895 for married couples). Even if your annual income is higher, you may still qualify for some Extra Help. Your resources must also be limited to \$13,640 (or \$27,250 for married couples). Resources include bank accounts, stocks, and bonds, but not your house or car.

THERE'S NO COST OR OBLIGATION TO APPLY

It's easy and free to apply for Extra Help. You, a family member, trusted counselor, or caregiver can apply online at socialsecurity.gov/il1020 or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also get help at the Wheeling Pavilion Senior Center. Just call 847-459-2670 to make an appointment with a SHIP counselor.

PRICES SPIKE FOR GENERICS

Across the country people are going in to refill prescriptions only to find that the cost has doubled, tripled and in some cases have soared to almost 1,000 percent. While overall health spending has held relatively steady in recent years, the costs of drugs has outstripped inflation. The reasons why remain controversial. What can be done to keep drugs affordable is even more controversial. If you need prescription drugs, it is most likely you will be paying more for them.

Generic drugs, which account for about 80 percent of all prescriptions, have been one of the few bargains in health care. Experts say cost savings from the growing number of generic drugs keep the cost of overall health care reasonable. Once the patent on a brand-name drug expires, manufacturers can move in, creating more competition and lower prices. These cost savings seem to be slowing down. The average annual price of generic drugs didn't budge at all from 2012. Lately pharmaceutical experts have begun to notice, mostly without warning, drugs which have been around for years, are beginning to spike. Some of the rises appeared overnight and impacted more and more medications.

In some cases, the cost of making generic drugs may increase, although that does not explain most of the recent increases. Mergers and acquisitions in the generic drug industry have reduced the number of competitors. Generic drugs are inexpensive to produce, and that allows competition in the market. Once that competition goes away, prices will rise.

TRIP AND PROGRAM CANCELLATION POLICY

Generally, if you cancel your reservation **7 business days or more** before the event, we will work with you to fill your space with someone from the waiting list. If we can fill it, you will either be issued a credit voucher or you can work out an exchange with the person filling your space.

Please note: **Due to dates we must make final payments, the refund deadline for trips will vary.**

Check specific information for each trip.

If cancellations are made less than 7 business days before the event or after final payment date posted, a credit will not be given.

AN IMPORTANT NOTE ABOUT TRAVELING WITH OUR GROUP

When traveling with the Wheeling Pavilion Senior Center, it is expected that the participant will arrive with the group, stay with the group, and travel back to the Senior Center with the group. In addition, it is expected that the participant will go directly from the bus into the venue as directed by the activity coordinator. **No Exceptions!** **Program credits will be given in full for programs or trips cancelled by the Senior Center.**

HELPFUL HINTS TO MAKE SURE A FUN TIME IS HAD BY ALL !

- Please be sure to REGISTER EARLY TO AVOID DISAPPOINTMENT.
- We need to make monetary commitments to our venues at least 6 weeks in advance. If we don't have enough advance reservations, we may be forced to cancel a trip.
- If there is a menu option, please specify your choice when you register for the trip or program. Please note: menu options cannot be changed. ***Be sure to read the menu carefully if you have any allergies or dietary needs. Contact Alysia if you need dietary accommodations.***
- Please carefully read the refund policy, the waiver, and caregiver policy **before** signing up for a trip. If you cannot "keep up" with the trip requirements, someone needs to accompany you as the trip coordinator cannot split up her time to care for individual needs.
- Please arrive on time for a trip as indicated as the bus cannot wait more than 5 minutes past the indicated time. If there are any questions regarding when to arrive for a trip, please ask someone at the reception desk or call Alysia at 847-459-2670 between the hours of 8:00 a.m. and 4:00 p.m.

TRIP ETIQUETTE

Please respect your trip coordinator, bus driver, dining staff, theatre/venue staff, and all those who work very hard to make your experience a pleasant one. If there is free time, please arrive back at the bus or designated area at the time and place assigned by the trip coordinator. Please be respectful of your peers on the trip. If you go on a trip and it is deemed that a caregiver is needed for future trips, you will be asked to provide one before registering for more Senior Center trips. Unacceptable behavior will not be tolerated and will be reported to the Senior Center director who will assess whether or not the individual may attend future Senior Center trips.

CAREGIVER POLICY

It is the intent of the Senior Center to provide travel opportunities that are educational and stimulating for a wide variety of interests. Due to the time and intensive nature of supervising such an event, our staff cannot be responsible for providing personalized caregiver attention to individuals, i.e. assisting with ambulation, toileting, dining, cognitive impairment assistance, etc. Therefore, the Senior Center reserves the right to deny a travel registration if it is determined that caregiving of this nature is required for a traveler. If the traveler has a caregiver accompanying them, the caregiver **MUST** complete his/her own registration form and payment.
