Wheeling Pavilion Programs

JULY/AUGUST 2018

Welcome to the Wheeling Park District!

By working together with the Village of Wheeling, we are excited to take the next steps to guarantee that you have a home at the Community Recreation Center (CRC). The Wheeling Park District mission is to provide memorable experiences in parks and recreation that enrich our communities. Excellent guest services are what we strive for day in and day out and we look forward to delivering that to you.

The Wheeling Park District has embarked on a major project at the CRC to renovate and expand the facility. This will give us the space required to add to our program offerings for you and meet your needs now and into the future. Long-term planning allowed us to realize our vision of designing facilities that are a valuable asset to the community campus while best serving our residents. This walkable area is connected to a beautiful park with scenic paths, lake, outdoor water park, shelter, Sports Complex and Performance Pavilion where we hold free events for all ages including concerts, movies and fitness opportunities. The CRC houses a fitness center, indoor pool, walking track and gym with more planned in the next year.

One of our priorities in this process is communication. We welcome your feedback and remain committed to understanding what is important to you regarding recreation programming. In the coming weeks, we will be offering you opportunities to voice your opinions and tell us how we can best respond to your requests.

Most importantly, we want to offer you the continuity essential to making this a seamless transition. The Wheeling Park District is here for you now and for as long as you need a place for parks and recreation activities.

If you receive a call from Somerville, MA 617-440-3505 rest assured it's the Wheeling Senior Services Department calling you with an important message. In order to better serve our community, we will be conducting robocalls with valuable information pertaining to any program provided by the Village of Wheeling Senior services. If for any reason the message did not sound clear or cut off please give us a call at 847-459-2670

Trivia

Did you know that the legal separation of the Thirteen colonies from Great Britain actually occurred on July 2, 1776-not on the 4th of July?

In a letter to his wife, John Adams wrote, "The second day of July 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to the Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward forever more."

So why is Independence Day celebrated on July 4th? From the outset, Americans celebrated Independence Day on July 4th because it was the date shown on the much-publicized Declaration of Independence., not on July 2nd, which was the date the resolution of independence was approved in a closed session of Congress.

MEMORY SCREENINGS

WHO SHOULD BE SCREENED?

Memory screenings make sense for everyone who is concerned with memory loss or experiencing the warning signs of dementia. If family and friends have noticed changes, or those who believe they are at risk due to a family history of Alzheimer's disease or related illness, screenings and testing are advised. For anyone who does not have a concern at this time, but who wants to establish a base line score for comparison in the future, testing is also available.

by appointment only (30 minutes)

Call the Wheeling Human Services at 847-459-2670 to schedule an appointment.

SPECIAL NEEDS RESIDENT LIST

The Village of Wheeling Special Needs Resident Notification (IL Premise Alert Program Public Act 96-0788) is available to all Wheeling residents. The IL Premise Alert allows people with special needs to provide information to police, fire, and EMS personnel to be kept in a database. This information will be provided to responders dealing with situations involving the special needs individuals.

To let emergency personnel know about you or your family members' special needs, pick up a form at the Police Department or download from the Village website under "Premise Alert". Forms may be completed onsite, or you may send them to the Wheeling Police Department Communications Supervisor at 1 Community Boulevard, Wheeling, IL 60090. Your information will not be shared with anyone outside of the emergency personnel of the Village of Wheeling and any other agency needed to provide emergency response. The information provided on the list will not result in preferential treatment, or change the response of trained emergency personnel. Inclusion on the list will result in emergency responders being better prepared to assist individual residents with special needs.

Please contact either the Human Services Department at 847-459-2606 or the Wheeling Police Department Communications Supervisor at 847-459-2632 for further information

Telephone Reassurance

How are you doing today?

How does Telephone Reassurance work?

- This Program is offered to any senior living in the Village of Wheeling at no cost.
- A brief daily call to a homebound Village of Wheeling Resident by one of our staff/Volunteers.
- The call is placed around 9:00 am Monday to Friday
- If the resident does not answer the phone, a procedure of safety checks is followed before a check wellbeing is done with the help of the Wheeling Police Department.

Our Telephone Reassurance Program is designed to help homebound elderly to remain independent in their own homes for as long as possible by providing reassuring telephone calls, social support, and safety checks. Our program strives to reduce isolation and help residents feel safer and more connected to their community.
