## SENIOR HEALTH INSURANCE NEWS

With a new state administration, they are seriously looking at trying to improve the state's financial situation. One area they are looking at is the state's Medicaid program to ensure the benefits are provided to those who actually qualify. If you are Dual Eligible (both Medicare and Medicaid) or Medicaid alone you should be aware of the following:

The state has set up a program called the Illinois Medicaid Redetermination Project (IMRP). This will be a redetermination of eligibility for Medicaid and other state programs. The state must decide whether a client meets the rules to keep receiving benefits.

If your eligibility is being reviewed through IMRP, you will get a letter in the mail. For this reason, it is very important that you always tell the state when you change your address. First, you will get a letter telling you that your redetermination is coming up and you should watch for the redetermination form in the mail. About 2 weeks later, you will get the redetermination form itself. It will contain the most recent information the state has in your case record. You must correct any wrong information. If you are reporting anything new, like a new type of income, you must provide proof. The redetermination form will also tell you how you can return it. The form will tell you the date when the form must get back to the IMRP office. If you need additional time, please call 1-855-458-4945 (TTY: 1-855-694-5458). If you change information on the form you should also attach proof for the things that have changed. The form must be returned even if you do not change anything. If you have no income, write \$0 on the form. It is very important that you complete the form and return it on time. Your case will be canceled if the state does not hear from you by the due date or if you do not provide all the information we asked for. If your case is canceled, you will no longer get medical benefits and you will have to re-apply.

If you qualify as a senior, 65 years of age or older or as a persons with a disability, you may need to send proof to show the current value of your financial resources other than your income. Financial resources are assets like bank accounts or property you own. The state recommends you send documents with your redetermination form if any of the situations in the list below apply to you. If your income is different than what is shown on the redetermination form, include copies of pay stubs, checks for income or self-employment records for income you received in the last 30 days. If your other financial resources (assets) are different, include documents that show the current value of the resources. For example, include a bank account statement from the last 30 days. If you have health insurance that you have not already reported, include a copy of the front and back of your insurance card. You do not need to send documents to prove your date of birth, Social Security number or that you are a United States citizen. These are things about people that usually do not change. However, the state will ask you to provide proof about these things if they have reason to believe the information they have is not correct

I have more information if you need it.

## TRIP AND PROGRAM CANCELLATION POLICY

Generally, if you cancel your reservation **7 business days or more** before the event, we will work with you to fill your space with someone from the waiting list. If we can fill it, you will either be issued a credit voucher or you can work out an exchange with the person filling your space.

Please note: **Due to dates we must make final payments, the refund deadline for trips will vary.**

Check specific information for each trip.

## AN IMPORTANT NOTE ABOUT TRAVELING WITH OUR GROUP

When traveling with the Wheeling Pavilion Senior Center, it is expected that the participant will arrive with the group, stay with the group, and travel back to the Senior Center with the group. In addition, it is expected that the participant will go directly from the bus into the venue as directed by the activity coordinator. **No Exceptions!** **Program credits will be given in full for programs or trips cancelled by the Senior Center.**

## HELPFUL HINTS TO MAKE SURE A FUN TIME IS HAD BY ALL !

- Please be sure to REGISTER EARLY TO AVOID DISAPPOINTMENT.
- We need to make monetary commitments to our venues at least 6 weeks in advance. If we don't have enough advance reservations, we may be forced to cancel a trip.
- If there is a menu option, please specify your choice when you register for the trip or program. Please note: menu options cannot be changed. ***Be sure to read the menu carefully if you have any allergies or dietary needs. Contact Alysia if you need dietary accommodations.***
- Please carefully read the refund policy, the waiver, and caregiver policy **before** signing up for a trip. If you cannot "keep up" with the trip requirements, someone needs to accompany you as the trip coordinator cannot split up her time to care for individual needs.
- Please arrive on time for a trip as indicated as the bus cannot wait more than 5 minutes past the indicated time. If there are any questions regarding when to arrive for a trip, please ask someone at the reception desk or call Alysia at 847-459-2670 between the hours of 8:00 a.m. and 4:00 p.m.

## TRIP ETIQUETTE

Please respect your trip coordinator, bus driver, dining staff, theatre/venue staff, and all those who work very hard to make your experience a pleasant one. If there is free time, please arrive back at the bus or designated area at the time and place assigned by the trip coordinator. Please be respectful of your peers on the trip. If you go on a trip and it is deemed that a caregiver is needed for future trips, you will be asked to provide one before registering for more Senior Center trips. Unacceptable behavior will not be tolerated and will be reported to the Senior Center director who will assess whether or not the individual may attend future Senior Center trips.

## CAREGIVER POLICY

It is the intent of the Senior Center to provide travel opportunities that are educational and stimulating for a wide variety of interests. Due to the time and intensive nature of supervising such an event, our staff cannot be responsible for providing personalized caregiver attention to individuals, i.e. assisting with ambulation, toileting, dining, cognitive impairment assistance, etc. Therefore, the Senior Center reserves the right to deny a travel registration if it is determined that caregiving of this nature is required for a traveler. If the traveler has a caregiver accompanying them, the caregiver **MUST** complete his/her own registration form and payment.
