AquaHawk Alerting is a **FREE** service for Village of Wheeling customers that will assist you in efficiently managing your utility usage and lowering your monthly bills. Register today. It's easy!

After you register, you'll be able to:

Receive timely leak alerts

You specify how you want to be contacted: e-mail, text or telephone. When your consumption indicates abnormally high usage or a leak, we'll contact you. AquaHawk helps prevent costly property damage and gives you peace of mind when you're away from your home.

Monitor your water usage

See how much water you're using and an estimate of your bill anytime during the billing cycle. AquaHawk empowers customers to take charge and make decisions.

Set your Threshold Alerts

Threshold alerts allow you to specify an amount of water (gallons) or a maximum amount (\$) that you don't want your bill to exceed. If your usage or your bill is trending to, or has exceeded the threshold value, AquaHawk will send you a notification.

Learn ways to save

Easily see the dates/times when you're using water. See how your consumption compares to temperature and rainfall data. Learn effective ways to reduce water and energy usage and
