Traffic Safety Message

Please Remember to Buckle Up

Police Department

Turn On a Light and Stop a Crime
Criminals look for dark locations and by turning on outside lights at night you are less likely to be a target of criminals. Working together, we can continue to make Wheeling a safer place to live.

Police Department

Help Prevent Crime in Wheeling

Residential Burglaries continue to be a problem throughout the NW Suburbs. Often the offender will ring the doorbell to see if anyone is in the home. If no one answers, they make entry, often by force (or unlocked door/windows.) If someone is home they will make up an excuse for being there and leave.

Police Department

Help Prevent Crime in Wheeling

To prevent these burglaries please:

Keep all windows & doors locked at all times

Contact the Police to report **ANY** suspicious activity

If someone rings your bell, do not open the door but

do let them know you are home. Talk to them thru

the secure door so see what they want. If they

give a suspicious excuse, contact the Police.

Police Department

Help Prevent Crime in Wheeling

In addition – criminals still continue to victimize the public with:

IRS phone scams claiming tax return problems.

Weather related home repair scams soliciting repair work that may or may not exist.

Please call 911 to report anything suspicious

Beware of IRS Phone Scams

The Wheeling Police Department advises if someone calls and claims to be from the Treasury Department or Internal Revenue Service demanding money, threatening arrest or jail for non-compliance, simply hang up. They are scammers, trying to lure unsuspecting or unwitting people into sending them money.

Police Department

Beware of IRS Phone Scams
