- ◆ During construction, street parking will be allowed per posted signs.
- ◆ Dust control measures will be implemented and monitored.
- ◆ **This type of work involves the operation of equipment and heavy machinery. Please exercise caution and avoid the construction zone.**

### Special Notice to Owners of Underground Lawn Sprinkler Systems Located in the Village Owned Right-of-Way:

It is the property owner's responsibility to arrange for the repair and bear the cost of any lawn sprinkler system and/or piping within the public right-of-way that gets damaged by the contractor. It is recommended that any sprinkler system within the public right-of-way be relocated prior to curb removal. During the various phases of construction, we also request that no lawn sprinkling adjacent to these ongoing improvements takes place.
