Did you or do you know someone who has recovered from COVID-19?
If so, you may be able to help others fighting the disease. Visit
Vitalant.org/CovidFree to learn about Convalescent Plasma (CCP) donation.
CCP is only available at our donation centers; not at mobile blood drives.

Connor
BLOOD DONOR

“To me donating blood is a somewhat spiritual experience. You are giving something that was part of you to help a complete stranger live.”

COVID-19 patients need your help! All successful blood donations are now tested for antibodies. If you're positive, you could help patients with a convalescent plasma donation.
